Education

Galgotias University, Greater Noida, India

Aug 2024 – Present

Bachelor of Technology in Computer Science and Engineering

Technical Skills

Languages & Frontend: Java, JavaScript, HTML, CSS

Backend & Database: Node.js, MySQL, SQL

Tools & Platforms: Git, GitHub, VS Code

CS Fundamentals: Data Structures & Algorithms, OOP, DBMS, Operating Systems

Competitive Programming: Active problem solver on LeetCode and Codolio

Soft Skills: Problem Solving, Team Collaboration, Communication, Adaptability, Critical Thinking

Projects

SafeCircle – Women Safety & Technology | *HTML, CSS, JavaScript, MySQL, Node.js*

2024

- Developed a web-based women safety application to provide quick **emergency assistance** for users in distress.
- Implemented **user registration** and secure data storage using **MySQL**; integrated backend logic using **Node.js** for handling user requests.
- Designed **responsive UI** using HTML and CSS; focused on real-world safety use cases and practical problem solving.

Autonomous Line Follower Robot – IIT Techfest Zonals (Meshmerise) | *Arduino Nano,*

2024

Embedded C, IR Sensors, L298N

- Designed and built an **autonomous line follower robot** for IIT Techfest Zonals – Meshmerise held at **IIIT Delhi**.
- Implemented real-time line detection using an **8-channel IR sensor array**; developed control logic in **Embedded C** on Arduino Nano to adjust motor speed and direction.
- Integrated DC motors with **L298N motor driver**; calibrated sensors and optimized threshold values to handle sharp turns and track variations.
- Gained hands-on experience in **embedded systems**, robotics, and hardware-level debugging in a competitive environment.

Certifications & Achievements

Certifications: Database Programming with SQL – Oracle Academy | Java & DSA – HCL GUVI | TechFest Delhi Edition GenAI – HCL GUVI.

Hackathons: WIE-Hackearth 2025 – IEEE Galgotias University | IIT Techfest Zonals – Meshmerise at IIIT Delhi.

Competitive Programming: Active problem solver on LeetCode and Codolio; focused on Data Structures & Algorithms.
